

# EQUINE ASSISTED COUNSELING LEVEL I TRAINING

3 Days 9/29-10/1

## The California Therapy Horses

43 Canyon Drive Oroville, Ca 95966  
(530) 321-9164

### 24 CEUs: CCAPP; CAADE; NAADAC

The Level 1 Pegasus Model of EAC teaches the basic to intermediate fundamentals of Equine Assisted Counseling, which gives Clinical Professionals, Horse Professionals and others the opportunity to observe, explore and experience vital new skills. These skills enhance the Counseling process on an intense, in-depth yet short term basis. Participants have the opportunity to explore on a deeper level the behaviors, patterns, and communication that have created problems in their client's lives as well as their own. The Pegasus model of EAC gives you the skills to begin and/or enhance your work, personally or professionally, in this emerging field.

#### Day 1 (9:00am – 5:00pm)

Orientation, Focus on safety as a priority, Safety test, Group activities, Demonstrations, and hands-on participation with the horses.

#### Day 2 (9:00am – 5:00pm)

Group activities continue. Explore how EAC will help your clients raise their awareness of unhealthy communication skills, conflict resolution, responsibility, and self- esteem strategies, in an intense and effective setting.

#### Day 3 (9:00am – 5:00pm)

Activities with horses continue through Role Play/Exam/Completion. Discussion of ABC's, the **A**wareness of **B**ehaviors and **C**ommunication, that are imperative for growth and development. Test and discussion. Completion Ceremony.
